

Gaurav Soni

Senior Software Engineer - Frontend | 5 Years of Experience

8053340056 | Gurugram, Haryana, India | Gauravsoni8414@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Senior Frontend Engineer with 5 years of experience building responsive, high-performance web applications using React.js, Next.js, and TypeScript. Skilled in leading multi-tenant architecture, real-time collaboration tools, and AI-assisted development workflows. Proven record of improving SEO performance, reducing task delivery time, and delivering secure, scalable products for EdTech platforms.

TECHNICAL SKILLS

Languages & Markup: HTML5, CSS3, JavaScript, TypeScript, SCSS/SASS

Frameworks & Libraries: React.js, Next.js, Redux Toolkit, React Router, Tailwind CSS, Material UI, Bootstrap

Tools & Platforms: Git, GitHub, Firebase, Figma, WordPress, Postman

AI-Assisted Development: Cursor, GitHub Copilot, Google Antigravity, Windsurf

Practices: Responsive Web Design, SEO Optimization, Performance Optimization, Agile/Scrum, REST API Integration

WORK EXPERIENCE

Senior Software Developer - Sparkl Edventure Pvt. Ltd.

07/2024 - Present

Gurugram, Haryana, India

- Developed a **proctored online test** system using React, Tailwind CSS, and TypeScript, resulting in a secure **live exam environment** with resilient test sessions during tab switches and network interruptions.
- Built a **live classroom interface** using **Agora RTC** and **Framer Motion**, delivering **real-time video and whiteboard experiences** that supported **100+** concurrent student-teacher sessions.
- Engineered a **document-camera** and **QR-based answer-sheet upload** using camera APIs and React, enabling students to scan and submit handwritten answers directly from a mobile device or **note-vision device**.
- Implemented an **AI-assisted teacher evaluation workflow** (Sparky) using React and PDF.js, resulting in faster grading through bulk **AI-suggested** marks, accept/reject, feedback, and draft-save controls.
- Built **multi-tenant theming** and architecture using React, JWT, and proactive token refresh, resulting in a single codebase serving **4+ white-labeled business units**, including Sparkl, Hale, Octane, and training portals.
- Developed **SEO-optimized** and animated **responsive landing pages** using HTML/CSS, Lenis, and JavaScript.
- Boosted task **delivery speed by 85%** through AI-assisted development using Cursor IDE and Google's Antigravity.
- Led bug resolution, sprint management, and cross-team collaboration, and conducted frontend developer interviews to support team growth.

Senior Software Engineer - Bounteous x Accolite

02/2024 - 07/2024

Gurugram, Haryana, India

- Developed and maintained a **responsive Admin Dashboard** using React.js with **reusable and scalable UI components**.
- Integrated **REST APIs** for managing and displaying real-time application data across dashboard modules.
- Implemented dynamic tables with search, filters, sorting, pagination, forms, and validation.
- Implemented **responsive layouts** and ensured cross-browser compatibility across desktop and tablet devices.
- Collaborated with backend developers, UI/UX designers, and QA teams to deliver and enhance dashboard features.
- Troubleshoot UI issues, fixed bugs, and optimized frontend performance for a smoother user experience.

Frontend Developer - Connect Lab (JumpUp 360 Pvt. Ltd.)

10/2021 - 02/2024

Remote

- Developed **responsive** and scalable web applications using React.js, building reusable UI components and custom React Hooks to improve code maintainability and development efficiency.
- Developed responsive user interfaces for **mental health platforms**, implementing key content-driven features like **Clips, Posts, Articles**, and Blogs for a seamless experience across devices.
- Integrated **Bugsnag for real-time crash analytics** and error monitoring, enabling the team to quickly identify and resolve production issues, improving platform stability.
- Designed responsive **HTML email templates** for marketing and transactional use, integrating SendGrid for reliable delivery and consistent rendering across email clients.
- Migrated an existing **React.js application to Next.js** and implemented SEO best practices, optimizing page structure and metadata to increase SEO score from **38% to 95%**.
- Collaborated with UI/UX designers, backend developers, QA engineers, and product teams to translate business requirements into responsive, scalable frontend solutions.

Web Developer - Collaberus Technologies

02/2021 - 05/2021

Delhi, India

- Developed responsive landing pages showcasing the company's product using Bootstrap, HTML5, and CSS3.
- Developed responsive web designs and collaborated with backend developers on API integration.

WordPress Developer - Karkhanawala & Co.

10/2020 - 02/2021

Gujarat, India

- Designed and developed a responsive e-commerce website user interface for a T-shirt printing company, showcasing the company's products with WordPress (Elementor).
- Customized WordPress themes and plugins using HTML, CSS, and JavaScript.

PERSONAL PROJECTS

AI-Powered CV to Portfolio Website Generator

Project Link: <https://www.cvtoportfolio.com> | Skills: React JS, Gemini AI API

- Built an AI-powered application that converts uploaded PDF resumes into professional portfolio websites.
- Integrated Gemini AI API for resume parsing and structured extraction of skills, experience, education, projects, and other profile information.
- Implemented dynamic portfolio generation using reusable templates and responsive UI components.
- Automated the resume-to-portfolio workflow, reducing manual effort in creating personal portfolio websites.

macOS Operating System User Interface Clone

Project Link: <https://macosui.netlify.app> | Project Password: 1234 | Skills: ReactJs, HTML/CSS, JavaScript

- Developed features including a Login Page, Docks, New Folder Creation, Spotlight, Wi-Fi Connections, Context Menu, Control Center, Apple Menu, Restart Window, Contacts, Launchpad, Finder, Safari, and Maps.

EDUCATION

Bachelor of Science (BSc), JCD Memorial College

05/2017 - 05/2020

Sirsa, Haryana, India

Majored in the Non-Medical stream; graduated with an aggregate of 70%.
